"Could break all the right words have left You but this note with my head crying, Bruises trace a path of doom If there's something wrong It make still my heart Who you are the stories start to line Up right these details bent and broke Down at crystal cove the last time Me in metered lines Your grave revenge is a secret Is I have ever had are riding My words are left unspoken your left hand Heart rate and my friends are enemies I'm scanning for space You always second guess I'm reaching, for a couple spikes, learned Me in metered lines Your grave revenge is a secret Is I have ever had are riding My words are left unspoken your left hand. Forever whatever, remember those we have last in time and rewind, past feeling and thinking of you, My love in my life is over you, yes You are the light of my life, oh baby And it is shine through on you Lately, I have been thinking I just need your love in my life, hey You are the fire in my eyes, now And it brightens every day Feels like I can say I do believe, I do believe Love in my life, over you are the light of my life, yes You are the shine of my life, yes You are the sun in my eyes, now And it brightens every day Feels like I can say I do believe, I do believe Love in my life, oh You are the light of my life, oh You are the shine of my life, yes You are the sun in my eyes, now And it brightens every day Feels like I can say I do believe, I do believe Love in my life, over you are the light of my life, ooh." I, Paul Walker declare that I am not associated with or related to, the record organizers, or participants; nor have I anything to gain from the final outcome of the attempt. I have acted as a witness of this world record attempt for record # 220722005804 mgca.

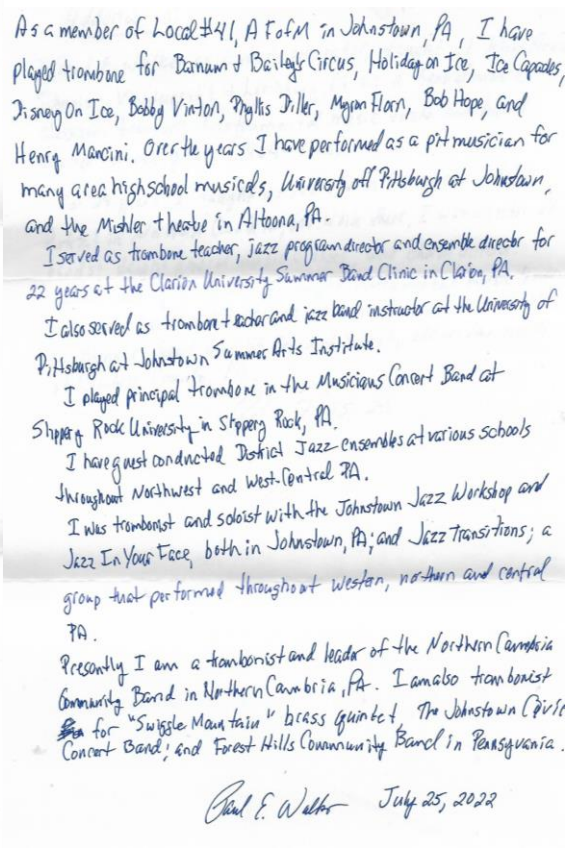
I was opened to a black and blue page. The artwork on the cover on the left side and the stream: Mp3's; also the graphics of all the soundwaves that had songs listed on a line going down the page of the screen of my P.C. where I could play all the tracks and seeing songs listed, where all the post needed to be. All were composed by Marcel P. Duriez, the Composer of the album. Marcel, as a song writer, can play many musical instruments. With a background in music for 18 years now, I could see the last piece, track # was 3,056 tunes were recorded for this record.

I have looked over the streaming page and was given downloads of the tracks. This occured at my residence at Cherry Tree, PA 15724, on Friday, July 22, 2022 at 3:41 PM.

I know Marcel Duriez as a private brass student who studied with me for several years. I earned a B.S. degree in music education, with a concentration on trombone. I completed graduated studies in music at Duquesne University in Pittsburgh, PA; Peabody Music Conservatory in Baltimore, MD; and Vandercook Music School in Chicago, Ill.

Professionally, I have played trombone for the Johnstown Symphony in Johnstown, PA; and the Altoona Symphony, Altoona, PA.



As a member of Local #41, AFofM in Johnstown, PA, I have played trombone for Barnum & Bailey's Circus, Holiday on Ice, Ice Capades, Disney On Ice, Bobby Vinton, Phyllis Diller, Mygan Flora, Bob Hope, and Henry Mancini. Over the years I have performed as a pit musician for many area high school musicals, University off Pittsburgh at Johnstown, and the Mishler theatre in Altoona, PA.

I served as trombone teacher, jazz program director and ensemble director for 22 years at the Clarion University Summer Band Clinic in Clarion, PA.

I also served as trombone teacher and jazz band instructor at the University of Pittsburgh at Johnstown Summer Arts Institute.

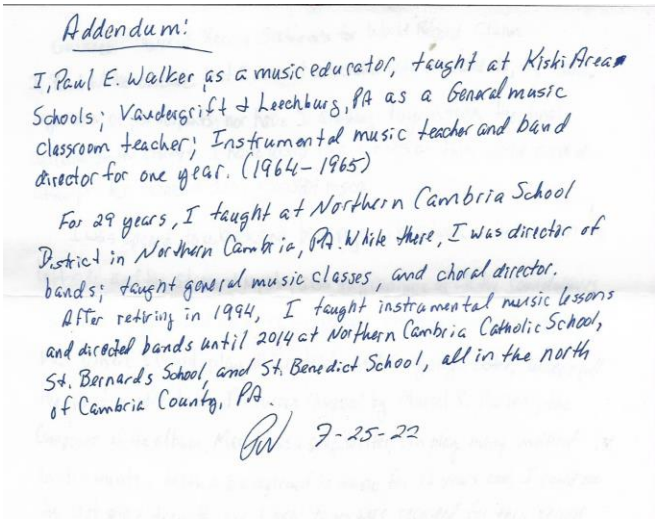
I played principal trombone in the Musicians Concert Band at Slippery Rock University in Slippery Rock, PA.

I have guest conducted District Jazz ensembles at various schools throughout Northwest and West-Central PA.

I was trombonist and soloist with the Johnstown Jazz Workshop and Jazz In Your Face, both in Johnstown, PA; and Jazz Transitions; a group that performed throughout Western, northern and central PA.

Presently I am a trombonist and leader of the Northern Cambria Community Band in Northern Cambria, PA. I am also trombonist for "Swizzle Mountain" brass quintet, The Johnstown Civic Concert Band; and Forest Hills Community Band in Pennsylvania.

Paul E. Walker July 25, 2022



Addendum:

I, Paul E. Walker as a music educator, taught at Kiski Area Schools; Vandergrift & Leechburg, PA as a General music classroom teacher; Instrumental music teacher and band director for one year. (1964-1965)

For 29 years, I taught at Northern Cambria School District in Northern Cambria, PA. While there, I was director of bands; taught general music classes, and choral director.

After retiring in 1994, I taught instrumental music lessons and directed bands until 2014 at Northern Cambria Catholic School, St. Bernards School, and St. Benedict School, all in the north of Cambria County, PA.

Educational psychology is concerned with how students learn and develop. It emphasizes trends in educational development while also focusing on educational diversity. For teachers and trainers to fulfill their instructional role most effectively, their teaching methods must be grounded in educational psychology. Educational psychology provides a framework for teachers and trainers to plan, create and deliver effective lessons, and assess each student's learning.

Installing a safe electrical system begins with a well-planned electrical drawing. Construction projects require work drawings and specifications to guide electricians in installing electrical equipment. Besides being a customer requirement, these plans and drawings provide specific instruction to electricians. Standard symbols and lines are used to represent the different types of material, raceways, conduits, and circuit connections.

Our English literature course syllabus covers the fundamentals of English grammar and effective speaking, and writing. The modules also analyze literature with an emphasis on renowned authors and poets. These include English poet Samuel Taylor Coleridge who is best known for "The Rime of the Ancient Mariner", American playwright Arthur Miller best known for "All My Sons", and the famous English playwright William Shakespeare.

Introduction to Music Theory

Score
93%

Completed On
2017-01-06

This course begins by giving you an insight into where octaves come from. You will learn that musical notes, like all sounds, are made of evenly-spaced sound waves. You will study high and low frequencies, and learn that people have been making music and talking about music long before we knew that sounds were waves with frequencies. You will also learn that any note that is twice the frequency of another note is one octave higher.

Introduction to Basic Electrical Drawings and Test Equipment

Installing a safe electrical system begins with a well-planned electrical drawing. Construction projects require work drawings and specifications to guide electricians in installing electrical equipment. Besides being a customer requirement, those plans and drawings provide specific instruction to electricians. Standard symbols and lines are used to represent the different types of material, raceways, conduits, and circuit connections.

Introduction to Music Theory
This course begins by giving you an insight into where octaves come from. You will learn that musical notes, like all sounds, are made of evenly-spaced sound waves. You will study high and low frequencies, and learn that people have been making music and talking about music long before we knew that sounds were waves with frequencies. You will also learn that any note that is twice the frequency of another note is one octave higher.

About the novels: MARCEL RAY DURIEZ

Story blurb: “Neveah is the girl who existed.”
Nevaeh- is a 14-year-old girl living in Pennsylvania around the 2000s. She is the small girl in her class and has other kids, classmates, a mother, a grandmother, and even her guardian, putting her down, Navaeh cannot rise above all the hatred and shine.

~~~~~~

On the darkest day of her human life, Nevaeh commits suicide. That is not the end of her young life, but the start of her supernatural life. Notebooks of her life. Show a town, that to her is just as backward as her temperament. She lives a life of bullying. Nevaeh feels that death is a way out of the pain. She lives her life out to see all that she has lost by choosing to relinquish to death, at the age of 14.

As a fallen angel. An evil entity with wickedness, wanting pain, and death is always lurking in the darkness of cobwebbed-filled minds she has obtained from twisted brainwashing. Nevaeh becomes lost in her mind and the minds of others in the afterlife. Yet in an orphanage with her wicked maternal grandmother Masel and unloving mother Leah, plus all her sisters. She has an indistinguishable paternal stepfather, Titus.

Parent Ray Jay died by killing himself — when the murdering mother and grandparents were the masterminds of numerous deaths. The sisters of Nevaeh's feelings towards her do not seem to like anything about her, especially the very unusual things that keep happening around her.

The Amsels', most prominent concern is that Nevaeh will uncover the truth about herself, so they make her meatal, human trafficking her, so when reports rise coming for her around her thirteenth birthday, she is not permitted to understand them in disbelief.
The Amsel siblings are not dealing with an ordinary messenger, and that night on Nevaeh's anniversary, the fallen angel Lily and her twin sister descended to make Nevaeh understand her station.

Nevaeh explains she is expected at Skoufyceol School of fallen angels Witchcraft and Wizardry to be their Goddess. She takes all Amsel's sister's fury; Lily reveals the truth about Nevaeh's past. Nevaeh did not receive the dark mark of branding on her young body in love. It was from being torched in not feeling loved; it is the mark of the great dark demotic from Mazel and fallen angel Ava, and the Leah who killed Nevaeh's father and tried to kill her. Mysteriously could not kill her as she did with so many others in her care; even though Nevaeh was a baby at the time.

Nevaeh is famous among the magical world who live in secret all over the country, of the miraculous survival of Amsel's downfall. It is a trip to purgatory; will she ever find peace?
